Poison	399.1
Bug	378.9

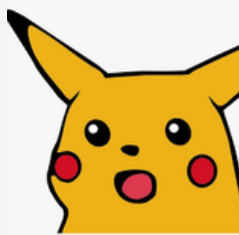

Pokémon Stats: Out of the 18 Pokémon types which ones are the coolest and lamest?

Bug lies at 18th position with a meager average of 378.9. It is also the only Pokémon not assigned to a legendary yet.

Dragon has the highest Total avg of 550.5 out of all fully evolved Pokémon, thanks in large part to the many Legendaries that share the type.
